2010 MARCHING BAND UPDATE

Pulling It All Together

Publisher Recordings?

By now, you have likely received some of the complimentary promotional recordings from the publishers, featuring Marching Band music for the upcoming year. However, all of them have not been distributed, so do not be alarmed if you have yet to receive some. If you haven't gotten these promotions by May 15, give us a call and we will assist you in obtaining them.

HOW TO USE PENDER'S MARCHING BAND UPDATE

As you receive your packet from each publisher, please take a few minutes to read the descriptions and listen to the recordings. Our 2010 Marching Band Update gives you one concise listing that ties together all of those publishers' mailings. Use this to interactively listen to sound files (where available), and view sample scores, where applicable. Then, when you are ready to order, you'll have all the information you need.

Please refer to this chart for difficulty level:
